## Institutional Best Practices

### 1. Democratic Decision-Making

Shimurali Sachinandan College of Education (SSCE) upholds democratic values in all academic and administrative matters. Our decision-making procedures actively include all stakeholders, including teachers, students, and administrative personnel. This participative method guarantees that various opinions are considered, establishing a feeling of ownership and accountability within the institution.

### 2. Advanced Learning Resource Center

Our cutting-edge automated library serves as a comprehensive learning resource center, offering both physical and virtual modes of access. Equipped with RFID technology and a digital library featuring e-books and e-journals, the library enhances students' learning experiences. Additionally, our administrative office is fully computerized, ensuring transparency in all financial transactions, which are regularly audited in a timely manner.

### 3. Encouragement of Research and Innovation

SSCE nurtures a culture of research and innovation by encouraging both students and faculty to engage in research activities. We provide resources and support for research initiatives, enabling our educators and student-teachers to explore new ideas and contribute to the field of education.

### 4. Simulated Teaching Video Analysis

Since 2014, our college has implemented a unique practice of video analysis for simulated teaching. During simulated teaching sessions and teaching internships, we record videos that are subsequently analysed component-wise by faculty members. This practice allows student-

teachers to identify areas for improvement, refine their teaching skills, and ultimately enhance their effectiveness as future educators.

## 5. Participation in Cultural Exchange Programs

We encourage our students to participate in inter-college cultural events, promoting cultural exchange and diversity. These activities allow students to showcase their talents and learn from peers in different educational settings, enriching their overall learning experience.

## 7. Support for Advanced Learners

We provide guidance and encouragement to advanced learners aspiring to take competitive exams such as NET, SET, C-TET, and SSCE. Our faculty members offer valuable insights and suggestions to help students prepare effectively for these examinations.

## 8. Tutorial System for Personalized Support

To ensure academic success, SSCE has implemented a tutorial system that provides personalized support to students. This system addresses both academic and personal needs, allowing students to receive guidance tailored to their individual circumstances.

## 9. Talent Hunt Program

We organize talent hunt programs to identify and nurture students' competencies in co-curricular activities. Through performances in music, dance, drama, and other arts, students have the opportunity to showcase their talents, leading to further participation in cultural programs both within and outside the college.

## 10. Commitment to Sustainability and Community Outreach

SSCE is dedicated to creating a sustainable eco-friendly campus. One of our significant initiatives includes the provision of arsenic-free purified drinking water in collaboration with
