(WB Govt. Aided, Affiliated to BSAEU, Recognised by NCTE, Accredited by NAAC with Grade-A)

Prospectus for B.Ed. Course

Session: 2025-2027

P.O.: Shimurali, Dist: Nadia, Pin: 741248, West Bengal
Tel: 03473-351021, Website: ssce.ac.in, Email: shimuralicollege@gmail.com

About the college:

Our institution's beginnings may be traced back to the visionary efforts of Prof. Late Birendra Mohan Acharya of Kalyani B.T. College and Lt. Col. Dwijendralal Nath Bhattacharyya, the driving force behind Bhagirathi Shilpashram. Our college was first established by annexing two-storied buildings to Bhagirathi Shilpashram. On July 1, 1971, Calcutta University recognised Bhagirathi Post Graduate Teachers' Training College. After that, we changed our name to Bhagirathi College of Education and became affiliated with the University of Kalyani. Subsequently, we earned affiliation to the University of Kalyani, undergoing a name change to Bhagirathi College of Education.
Our journey, full of experience and transformations, was boosted significantly by the kindness of Srimat Swami Sachinandan Das Mohanta Maharajji. His generosity includes donating 36.5 decimal of land to help expand college in this rural region. Our institution was duly named Shimurali Sachinandan College of Education (SSCE) in 1984 as a token of appreciation and recognition.

We are a West Bengal Government-Aided Teacher-Training Institution, affiliated to Baba Saheb Ambedkar Education University and recognised by the National Council for Teacher Education (NCTE) from the very beginning of the journey. Our college has duly been recognized by the University Grants Commission under the UGC Act, Section 2(f) and 12(B. The College has been accredited as an 'A' Grade college by the National Assessment and Accreditation Council (NAAC) in 2016.

With profounding faculties, our college mostly offers B. Ed. Programme in eight different school subjects viz. Bengali, English, History, Geography, Education, Art Education, Life Science and Mathematics. The teaching learning environment are enhanced by Smart classrooms, ICT based lectures, well equipped language, social science, science laboratories, Art & Craft Resource centers within our wi-fi connected fully CCTV covered campus. The cutting edge automated, digital library equipped with RFID technology is a true gem in our academic crown.

Our college aims to foster holistic development to all its learners by encouraging quality teaching learning strategies coupled with technological upgradation and skill-based approach.

The vibrant campus life is enjoyed with safe and affordable accommodation for girls' students i.e. our Hostel named "Begum Rokeya Women's Hostel". This institution is also involved in enrichment Programme and extension activities. Learners have the opportunity to join a unit of the NSS (National Service Scheme).

Our institution has cultivated a habitual practice of organizing seminars / webinars / conferences / symposium / workshops both at National and International Levels, Educational Excursion, Invited Lectures, Alumni Meet, Parent-Teacher Meet, Remedial Teaching, multifaced Curricular & Cocurricular Activities.

As we continue to develop and adopt, our mission remains unwavering to deliver an outstanding educational experience that enables our learners to achieve their goals. I do strongly believe in all our spirited and honorable Shimurali Sachinandan College of Education family members' capacity to commit to create an atmosphere for promoting innovative learning to mould our beloved Institution as a pioneer one.

Teacher In Charge

Dr. Trishna Goswami (Kundu)

President GB

Mr. Tibrajyoti Das

Staff Room

Office Room

Vision :

- To equip the student-teachers (the present deputed teachers and the fresher prospective teachers) to face the global challenges of the future.
- To Cultivate Right Attitude, Social Values, Ideals, & Ideologies and achieve Academic Excellence.

Mission :

- To inculcate absolute desire for 'Learning to teach and Teaching to learn' with the will of leadership in the minds of the students.
- To inspire the learners to acquire knowledge and skill so that they can make themselves enable to apply those tools for the benefit of the society at large.
- To prepare intellectually well developed, socially concerned, morally upright, and spiritually oriented citizens for India.
- To inculcate sense of duty, discipline, responsibility & service to the nation.

Objectives:

- To promote acquisition of knowledge in a rapidly developing and changing society.
- To cultivate patriotic spirit and prepare progressive and responsible citizens.
- To offer wide range of programs with adequate academic flexibility.
- To broaden the mental horizon by using latest technologies (ICT).
- To sustain a caring, supportive attitude throughout the college life and afterwards.
- To enhance the effective and efficient management of college.
- To develop state-of-art IT infrastructure in the college.

Infrastructure:

The college boasts of three buildings with an extension of RUSA funded, PWD constructed building with an additional two floors along with three storied main building housing Teacher-in-charge's office, Administrative Office, Library and Reading Room, Staff Canteen, Teachers' Room, Games & Sports Room, IQAC Room, Common Room for Students (Girls), Classroom, Alumni Room and Laboratory Room for Language, Mathematics, Life Science, Geography, History, Education, Art & Craft. The other building named 'Bhagirathi Complex' consist of Conference Hall, APJ Abul Kalam Bhaban & Gitanjali Bhaban, G.B. President Room, General Canteen, Boys Common Room and Students' Council Room.

Library – A Gateway to Future-Ready Knowledge

The **Shimurali Sachinandan College of Education Library (SSCE Library)** blends tradition with technology to create an inspiring learning environment.

- **Technology & Innovation:** Powered by **RFID circulation**, **barcode efficiency**, and **CCTV monitoring**, the library ensures secure, smart, and seamless access to resources. Remote connectivity enables uninterrupted learning beyond campus.
- **Smart Search:** Our **multilingual WebOPAC** allows quick and easy access to books and resources, ensuring inclusive and efficient information retrieval.
- **Digital Learning:** Through the **SSCE Digital Library** and **Institutional Repository**, users can access faculty publications, course materials, question papers, and study resources anytime.
- **Extensive Resources:** The library offers **books, journals, magazines, reference works**, and links to global e-resources through the **UGC-INFLIBNET N-LIST**, opening doors to 6,300+ e-journals and 1,35,000+ e-books.
- **Anytime, Anywhere Access:** With **24×7 internet**, **mobile-friendly WebOPAC**, and **reprographic services**, learning becomes convenient and connected. The **SSCE Library App**, developed in-house, brings all facilities to your fingertips.
- **Your Academic Partner:** SSCE Library is more than a reading space—it's a digital, dynamic, and student-focused hub that supports innovation, research, and academic excellence.

Librarian

Dr. Sambhu Nath Halder
